THE PARENTAL AGREEMENT

Realizing the awesome responsibility of my commitment to God in seeing that my child has a living understanding of the Roman Catholic Faith, I am asking my faith community at Our Lady of Perpetual Help to aid me in my task as primary educator by establishing a Catechetical Program in which my child can participate.

I agree to participate fully in the program: by attending mass every Sunday; by the regular attendance of my child; by assisting the Religious Education Team; and by praying and sharing my faith with my child. By my signature I fully agree with and support our Religious Education Program.
